Casey's expertise is in the area of improvement, risk and compliance, having worked for some of Australia's largest certification bodies as well as the accreditation body for Australia & New Zealand. Casey has significant experience working to meet minimum requirements and improve systems at the same time. Casey is a confident and approachable trainer who draws on his experience to deliver training that engages participants at all levels.

Training experience

Casey has delivered international training in ISO/IEC 17021-1 Conformity Assessment and ISO/IEC 17065 Product Certification. He delivers Exemplar Global-certified Integrated Management Systems and Information Security Lead Auditor training for the Training Academy.

Auditing experience

Casey has been implementing and auditing Quality Management Systems for over fifteen years. He has conducted second, third and product audits for a diverse range of organisations across Australia and other markets.

Casey was fantastic and I really benefited from his real life examples; his detailed understanding and passion for the course content and his professional and friendly manner and conduct. Thoroughly recommend Casey and the course.

- Karen Goddard

I really enjoyed this course ! It was by far better than I expected it to be and Casey the instructor was sensational at his job. You can tell he genuinely enjoys his career.

- Renee Jurg

Casey was very engaging and has good knowledge of ISO 27001.

- Diana Mendonca
