## Industry experience

- Cyber Security
- Information Technology

Jessica is a Senior Manager with PwC's Cyber Security and Digital Trust team. She is a cyber security professional with expertise in cyber security behaviour change and education. Jess has a passion for using behavioural economics and psychological research to not only build awareness of cyber security, but to change behaviours of individuals to be cyber safe.

## Training experience

Jessica has experience in Business Continuity Management Program development and maintenance and Cyber Security Awareness Program development, management and delivery. She has been a speaker at 'CyberCon' (AISA conference Canberra). She delivers Exemplar Global-certified Business Continuity training for the Training Academy.

## Auditing experience

Jessica brings over 16 years of experience - 11 in the technology industry and 6 in cyber security.

Well facilitated to varying learner needs and diverse industries. Extremely knowledgeable in subject matter with clear, concise instructions and content delivery.

- Dallas Frazier

Great course, informed instruction, excellent class interaction.

- Ken Lietzow

Excellent content delivered by highly experienced experts, in their fields. Highly recommended."

- Gareth Batchelor
